NOTES AND STUDY MATERIAL

Study material is automatically prepared when you register and is charged accordingly. It is your responsibility to collect the study material. If you cancel/discontinue any of the modules, you will not be refunded for the notes.

BOOKS

Money for books can be paid into a separate account in advance. The amount paid will be transferred to your student card.

At the end of each academic year, the credits available on your student card will automatically be transferred to your tuition-fees account.

STUDENT CARD

You will receive a student card when you produce proof of your registration. Your student card is your key to all kinds of services and events at the UFS. It is your official university identification, and as a student or employee, you must carry it with you whenever you are on campus. Your electronic student card is for your use only; nobody else may use it. Your personal details are associated with your card and are unique to your card. Your first card will be issued free of charge. A fee is payable to replace a lost, stolen, or damaged card.

PARKING DISC

To park in designated parking spaces allocated to students, you must buy a parking permit/disc from Traffic Services by the end of February. It must be displayed on the windshield of your vehicle.

RESIDENCE AND ACCOMMODATION FEES

You or your parent/guardian or both are responsible for the full accommodation fee for the accommodation period.

Tariffs for accommodation in the different residences and living units are available on request.

Contact Housing and Residence Affairs on +27 51 401 3455/3562 or visit www.ufs.ac.za and follow the links Students – Residences.

Enquiries may also be directed to: resapplications@ufs.ac.za

NB: Residential students must familiarise themselves with all policies regarding accommodation.
