

Itumeleng P Khumalo

Dr Itumeleng Khumalo is an Associate Professor in the Department of Psychology at the University of the Free State (UFS), and a Clinical Psychologist, in Bloemfontein, South Africa. He obtained his PhD (NWU, 2011) in the area of quantitative measurement of (psychological) well-being and positive mental health. His research interest is cross-cultural and cultural studies of well-being in Africa. He teaches Quantitative Research Methods in the Social Sciences. As a registered Clinical Psychologist, he maintains a small practice, and supervises clinical psychology students. He has supervised Master's and PhD students, and authored and co-authored a number of journal articles, and book chapters, mainly in the studies of well-being. He has contributed to a teaching textbook on Positive Psychology.
