

Beautiful Afrikan Colors.

Beautiful different flowers, same beautiful petals.

Different colors of the rainbow, beautiful sky.

Culture defines our cultural background but beautiful beliefs, values and norms for every ethnic group.

Let us be proud and embrace our different shades, sizes, practices and not prejudice, instead let's unite, understand and empower.

Colors of a rain bow merge and create beauty.

Embracing cultural diversity creates beauty.

Flowers of Afrika bloom with different colors, smell and petal sizes but they are all beautiful in their differences and serve multiple purposes and special. Blossoming and show casing their beauty like Afrikan cultures.

Different but uniquely beautiful and special.
