Hello, I am...

NOMONDE MBADI,

Director of Student Recruitment Services at
the University of the Free State.

WHY is the University of the Free State your best choice, you may think? Here are just a few reasons:

- Application to study at the UFS is **FREE!**
- Not only will you receive excellent **THEORETICAL AND PRACTICAL ACADEMIC TRAINING AT A VERY AFFORDABLE PRICE**, but you can expect to study at a medium-sized university where **ACADEMIC STANDARDS STILL MATTER**.
- At the UFS we **ACTIVELY EMBRACE** transformation, diversity, and inclusivity. **PEOPLE ARE THE HEARTBEAT** of the institution; therefore, social justice and human-rights projects will always be a priority.
- The **UFS is LOCATED IN CENTRAL** South Africa and therefore easily accessible from anywhere in the country.
- Faculties and buildings are not scattered across town. All academic and social activities are confined to **ONE CAMPUS SPACE**.
- Our teaching and social environments create a space where everyone feels a **SENSE OF BELONGING**, whether it is on our Bloemfontein Campus, our South Campus in the southern parts of Bloemfontein, or our Qwaqwa Campus in the picturesque Phuthaditjhaba. The three campuses offer different spaces where you can fit in with ease. It is a **VIBRANT, SAFE, AND RELAXED** environment.
- A culture of **KINDNESS, RESPECT, AND CHARACTER** is what you can expect.
