IMPORTANT NOTICE

Kindly take note that this prospectus is aimed at prospective undergraduate students wishing to apply for a place at the University of the Free State (UFS) and who wish to start their studies at the UFS during the 2026 academic year. The prospectus accordingly describes and outlines the programmes and services offered by the UFS, as well as the minimum admission requirements for each programme, but must be read together with the policies, rules, and regulations of the UFS (as may be amended from time to time). To be considered for selection in a programme, an applicant is required to comply with the programme's minimum admission criteria (as determined per programme) and the faculty/department's specific requirements.

The UFS makes every effort to ensure that the information provided in this prospectus is accurate and up to date at the time of going to press. However, it may be necessary for the UFS to make some changes to the information presented in the prospectus following publication – for example, where it is necessary to reflect changes in policy, practice, or theory, or if an accrediting body necessitates requirements to be amended. Furthermore, certain programmes may only be offered if there is a sufficient number of applicants.

The UFS undertakes to implement all reasonable steps to provide the services (including, but not limited to, the presentation of the programmes) described in the prospectus. It does not, however, guarantee the provision of such services or the presentation of any or all programmes described herein. Should circumstances beyond the control of the UFS interfere with its ability to provide the services or presentation of any programme described herein, the UFS undertakes to take all reasonable steps to minimise any disruption to the services.

Furthermore, the UFS reserves its right to make amendments to admission requirements if and when necessary. It reserves the right to withdraw, wholly or in part, the delivery of programmes. Applicants for, and students in affected programmes will be informed in advance of the commencement of their studies for the academic year concerned.

REA U AMOHELA

WELCOME TO THE **UNIVERSITY OF THE FREE STATE**

At the University of the Free State (UFS), we change lives. We are committed to doing things well and aim to make an impact wherever we go. Our goal for the next decade is to become a globally and locally recognised university of excellence. This is called our Vision 130, because in 2034 we will celebrate our 130th anniversary.

With a firm focus on academics, we strive to be a diverse, inclusive, and equitable university.

Holistic student support

Our holistic student support enables us to achieve among the highest student success rates in the country. We empower you to complete your degree within the minimum time required and equip you for the evolving world of work. Our Centre for Teaching and Learning has developed innovative strategies to track student participation and offer the needed help, ranging from academic and language support to advanced tutorials and academic advising. This works in tandem with the social and psychological support by Student Counselling and Development, as well as leadership development programmes, career services, and various opportunities to engage in high-level sports and cultural activities coordinated by our Division of Student Affairs.

Sought-after alumni

Our competent graduates offer relevant skillsets that are sought after in workplaces globally, with countless examples of our alumni making their mark as leaders, change makers, and trailblazers in different sectors.

Top-quality students and staff

We are committed to recruiting and retaining the best students, academics, and support staff. Our researchers with National Research Foundation (NRF) ratings have doubled over the past few years and our well-connected staff members offer a greater variety of possibilities to engage with problems and issues in ways that enhance innovation capabilities across the university.

An outstanding student experience

Our learning experiences, support strategies, and structures respond to the needs, interests, aspirations, and social backgrounds of our diverse student community. When you first join the UFS community, our highly regarded welcoming and orientation programme will help you to find your feet at university and develop academically, personally, and socially.

Arrive and thrive in our supportive, caring, enjoyable, and intellectually invigorating environment – enjoy an outstanding university experience with us.

We Are **#FutureFocused**

WELKOM BY DIE
UNIVERSITEIT VAN DIE VRYSTAAT

By die Universiteit van die Vrystaat (UV) verander ons lewens. Ons is daartoe verbind om dinge goed te doen en streef daarna om 'n impak te maak waar ons ook al gaan. Ons doelwit vir die volgende dekade is om wêreldwyd en plaaslik 'n erkende universiteit van uitnemendheid te word. Dit word ons Visie 130 genoem, want in 2034 vier ons ons 130ste bestaansjaar.

Met 'n ferm fokus op akademie, streef ons daarna om 'n diverse, inklusiewe en billike universiteit te wees.

Holistiese studenteondersteuning
Ons holistiese studenteondersteuning stel ons in staat om van die hoogste studentesuksessyfers in die land te behaal. Ons bemagtig jou om jou graad binne die minimum vereiste tyd te voltooi en rus jou toe vir die ontwikkelende werkswêreld. Ons Sentrum vir Onderrig en Leer het innoverende strategieë ontwikkel om studentedeelname na te spoor en die nodige hulp aan te bied, wat wissel van akademiese en taalondersteuning tot gevorderde tutoriale en akademiese advies. Dit word gedoen in oorleg met sosiale en sielkundige ondersteuning deur Studentevoorligting en Ontwikkeling, sowel as leierskapontwikkelingsprogramme, loopbaandienste en verskeie geleenthede om betrokke te raak by hoëvlak sport- en kulturele aktiwiteite wat deur ons Departement Studentesake gekoördineer word.

Gesogte alumni
Ons bekwame gegradueerdes bied toepaslike vaardighede wat wêreldwyd gesog is in werkplekke, met talle voorbeelde van ons alumni wat hul stempel afdruk as leiers, veranderingmakers en baanbrekers in verskillende sektore.

Top-gehalte studente en personeel
Ons is daartoe verbind om die beste studente, akademici en ondersteuningspersoneel te werf en te behou. Ons navorsers met Nasionale Navorsingstigting (NNS)-graderings het oor die afgelope paar jaar verdubbel en ons personeellede met voordelige netwerke bied 'n groter verskeidenheid moontlikhede om met probleme en kwessies om te gaan op maniere wat innovasievermoëns oor die universiteit heen verbeter.

'n Uitnemende studente-ervaring
Ons leerervarings, ondersteuningstrategieë en strukture reageer op die behoeftes, belangstellings, aspirasies en sosiale agtergronde van ons uiteenlopende studentegemeenskap. Wanneer jy vir die eerste keer by die UV-gemeenskap aansluit, sal ons hoogaangeskrewe verwelkomings- en oriënteringsprogram jou help om jou voete op universiteit te vind en om akademies, persoonlik en sosiaal te ontwikkel.

Kom floreer in ons ondersteunende, sorgsame, genotvolle en intellektueel verkwikkende omgewing – geniet 'n uitnemende universiteitservaring saam met ons.

ABOUT THE UFS

WHERE ARE WE SITUATED?

FREE STATE:
DISCOVER THE HEART OF SOUTH AFRICA

In the geographical heart of South Africa, the Free State province is a tapestry of natural splendour, woven with the threads of cultural richness and vibrant history. Encircled by diverse provinces and the mountain kingdom of Lesotho, it is a gateway to an array of South African experiences.

The Free State's fertile soil yields abundance that feeds the nation, and its landscapes captivate – with a dramatic blend of expansive plains and the awe-inspiring Maluti and Drakensberg mountain ranges. Golden Gate Highlands National Park crowns this scenic majesty with its breathtaking sandstone formations and a treasure trove of ancient San rock art, set against a backdrop where wildlife roams free under the vast African sky. Beyond nature's appeal, the province is a canvas of historical narratives and cultural tapestries. In Bloemfontein, you will discover a hub of knowledge at the National Museum, with its fossil collections unparalleled in South Africa. Memorials and heritage sites tell stories of yesteryear, and the Basotho Cultural Village near Qwaqwa invites you to step into a living history of local traditions.

The Free State's fabric is one of warm hospitality and a relaxed pace of life, offering a slice of tranquillity for the soul. Adventure seekers can quench their thirst with exhilarating outdoor pursuits, such as hiking unspoiled trails, abseiling down rugged cliffs, or conquering the Ash River, which boasts high water levels year-round for the ultimate whitewater rafting experience. In Bloemfontein, the nation's judicial heart, the Franklin Game Reserve defies expectations - a sanctuary of wildlife embraces urban life, offering a unique juxtaposition where one can gaze upon giraffes against the city skyline. Connectivity is seamless, with the Bram Fischer International Airport providing efficient travel to and from major urban hubs.

The Free State promises more than just a place of study; it is a horizon of possibilities, an affordable, accessible, and captivating locale. It is the warmth of its people that truly defines it, their generosity and friendliness offering a home away from home, where every student is welcomed into a community that celebrates diversity and nurtures potential. Welcome to the Free State, where every path leads to discovery, and every experience enriches your journey. This is not just your study destination; it is the beginning of your story in the heart of South Africa.

OUR **CAMPUSES**

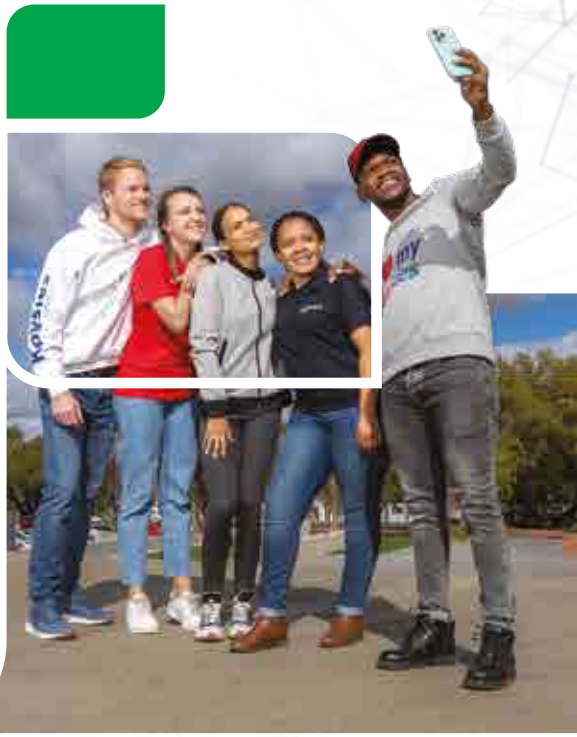
BLOEMFONTEIN CAMPUS
THE EPICENTRE OF INNOVATION AND CULTURE

Situated in the vibrant heart of South Africa's judicial capital, the Bloemfontein Campus of the University of the Free State stands as a beacon of academic excellence and architectural beauty. Here, the pursuit of knowledge spans all seven faculties, offering a comprehensive range of undergraduate and postgraduate programmes. Our campus is not just a place of learning, but a masterpiece of unique architecture and art where state-of-the-art research facilities meet advanced teaching and sporting spaces. Wrapped in the embrace of eco-conscious, water-wise gardens, the campus is a living testament to sustainability and environmental stewardship.

Our commitment to inclusivity shines through, with meticulously designed Braille-guided areas, ramps, and elevators, ensuring that all students, regardless of visual or mobility impairments, experience a nurturing educational environment. This structural compassion underpins our culture of care and social justice, fostering an academic community that is as diverse as it is united.

QWAQWA CAMPUS
A HAVEN OF LEARNING IN THE HEART OF NATURE

Embraced by the majestic Maluti Mountains, the Qwaqwa Campus serves as a sanctuary of higher education for the region's youth, offering tailored programmes that drive socio-economic upliftment. Understanding the rural heartbeat of the Eastern Free State, our programmes are steeped in research that seeks innovative strategies for job creation and economic vitality. The campus takes pride in housing the internationally renowned Afromontane Research Unit (ARU), a hub of excellence that pioneers mountain research in Africa. This is where academic rigour meets the quest for real-world solutions, all within an environment that inspires and empowers.



SOUTH CAMPUS
FORGING A PATH IN BLENDED LEARNING

Perched amid the tranquil hills south of Bloemfontein, the South Campus is the nexus of the University of the Free State's blended learning revolution. A second home to the innovative Centre for Teaching and Learning, the campus is at the vanguard of educational evolution, harmonising traditional teaching and learning with cutting-edge techniques.

Additionally, the South Campus is the cradle for the future educators of South Africa, offering the BEd Foundation Phase programme. This programme moulds educators and equips them not only with comprehensive pedagogical skills, but also with a deep understanding of nurturing the minds of children aged six to nine, shaping them into lifelong learners and future leaders.

At the University of the Free State, our campuses are more than just geographic locations – they are the cornerstones of a visionary educational journey, fostering a community of scholars ready to make a profound impact on the world stage. Join us and be part of the legacy and innovation that is the heartbeat of the Free State.

DISCOVER WHERE EXCELLENCE MEETS OPPORTUNITY **CHOOSE THE UFS!**

The University of the Free State cultivates an environment where **innovation, inclusivity,** and **inspiration** converge to create future leaders.

EXTENDED CURRICULUM
PROGRAMMES

Embark on a transformative educational path with the University of the Free State's Extended Curriculum Programmes (ECP). Tailored for aspirants of the 2026 academic year who demonstrate potential yet fall short of mainstream programme admission criteria, the ECP offers an alternative route to academic success. Be mindful that placement within this supportive programme is contingent on space availability, with priority given to higher-scoring applicants.

The ECP at the UFS is not just a programme; it is an academic lifeline. It is meticulously structured to bridge any gaps in competencies and ensure that you are not only admitted, but that you flourish in your chosen field of study. With a blend of academic support and skills development seamlessly integrated into your coursework, the ECP is designed to foster both personal and intellectual growth

NB!

To be considered for placement in the ECP, prospective students must apply for mainstream programmes.

PROGRAMME DESCRIPTION		MINIMUM ADMISSION REQUIREMENTS			
PROGRAMME	ACADEMIC PLAN CODE	AP	ENGLISH	MATHEMATICS	CAMPUS
BAcc	BC636060	34	4 (50%)	5 (60%)	BC
The BAcc is accredited by the SA Institute of Chartered Accountants (SAICA) for aspiring Chartered Accountants (SA). This, together with the PGDip (CA) or BAcc Honours, constitutes the 'CA programme' offered by the UFS. SAICA has awarded the CA programme offered by the UFS a 'Level 1' rating (the best available rating). The performance of UFS Accountancy graduates in the SAICA professional examinations and the demand for these graduates by employers, bear testimony to the quality of the CA programme.					
BCom (Accounting)	BC635050	28	4 (50%)	4 (50%)	BC
The BCom (Accounting) degree is aimed at the general accountancy professions (including AGA(SA), SAIPA, ACCA, and CIMA). Students who complete the BCom (Accounting) degree and still wish to pursue the chartered accountancy route, will first have to complete the PGDip (GA) or BComHons (Acc) – whereafter they will be eligible to register for the PGDip (CA) or BAcc Honours.

FACULTY OF EDUCATION

The Faculty of Education educates teachers in several disciplines. Our primary focus is to prepare you as pre-service teachers for your work in schools, ensuring that you have a strong disciplinary base for your professional work. In our undergraduate Bachelor of Education degree (offered in Foundation, Intermediate, or Senior and FET phases), you are prepared to be teachers in primary and secondary schools. The key teaching and learning principle of the programme is reflection, with an emphasis on instructing prospective teachers about teaching as opposed to teaching them only how to teach. Against this background, the faculty offers creative teaching and learning practices, illuminating broader citizenship and professional values. Our students are mentored to value scholarship, professional competence, and ethical practice.

FACULTY OF HEALTH SCIENCES

The School of Clinical Medicine, School of Pathology, School of Biomedical Sciences, School of Nursing, and the School of Health and Rehabilitation Sciences are proud to offer you opportunities to obtain world-class qualifications in the healthcare environment. Students in the Faculty of Health Sciences must be highly motivated, empathetic individuals whose academic knowledge and clinical expertise are developed through innovative teaching and learning modes that include simulated as well as clinical-skills development. Graduates from our faculty are in high demand at health-care institutions throughout Africa and the world and have a positive impact on the provision of quality health care nationally.

Note 1: The admission requirements as indicated below are guidelines. Meeting the minimum admission requirements for your chosen/intended programme of study does not guarantee admission, as limited space is available in each programme. Final selection and admission are subject to the availability of space, academic results, and other admission requirements where applicable. Refer to the faculty rulebook and the selection policies available at www.ufs.ac.za/healthselection for more information.

Note 2: For any of the Faculty of Health Science applications, your preferred programme MUST BE the first choice to be considered.

THE FOLLOWING PROGRAMMES ARE ONLY PRESENTED ON THE BLOEMFONTEIN CAMPUS:

SCHOOL OF CLINICAL MEDICINE, SCHOOL OF PATHOLOGY, SCHOOL OF BIOMEDICAL SCIENCES

FACULTY OF LAW

The Faculty of Law is among the best in the country. Its location in the judicial capital, Bloemfontein, exposes students to the practice of law in both the lower and higher divisions of the courts. Close ties with the profession allow the faculty to share the expertise of judges and legal practitioners with students. The faculty is proud of its high academic standards and its commitment to the constant improvement of its programmes.

The Faculty of Law is committed to excellence in teaching and to delivering eminent jurists. Legal education will open doors to a wide variety of career opportunities, including the advocates' profession, attorneys' profession, legal advising, labour consulting, prosecuting, magistrates' profession, academia, as well as positions in the insurance and banking industries. The faculty offers the LLB programme through residential learning.

The faculty is recognised for outstanding research and is also involved with community projects in which the UFS Law Clinic and specialised centres in the faculty play a major role.

The faculty enjoys close ties with several international law schools and law faculties, especially in Australia, Britain, Europe, and the USA.

Enquiries: Faculty Help Desk: +27 51 401 2735 | law@ufs.ac.za

Note: The admission requirements as indicated below are guidelines. Meeting the minimum admission requirements for your chosen/intended programme of study does not guarantee admission, as limited space is available in each programme. FACULTY OF
NATURAL AND AGRICULTURAL SCIENCES

The Faculty of Natural and Agricultural Sciences is a vibrant faculty attracting both national and international students due to its stimulating curriculum and exciting research agenda. We are an engaged faculty whose interactions with its community are integrated with research and teaching.

The faculty offers exciting and relevant programmes in the following broad areas of training and research:

- Natural Sciences
- Agricultural Sciences
- Building Sciences

The faculty offers both Bachelor's and Bachelor of Science degrees. Furthermore, the faculty offers programmes on all three of the UFS campuses, i.e., the Bloemfontein Campus, South Campus in Bloemfontein, and the Qwaqwa Campus in the Eastern Free State.

The Bachelor's Degree (B) makes provision for four fields of study, namely:	The Bachelor of Science (BSc makes provision for six fields of study, namely:	The Bachelor of Science in Agriculture (BSc Agriculture) makes provision for five fields of study, namely:
• Architecture • Agricultural Sciences • Sustainable Food Systems • Computer Information Systems • Agricultural Economics	• Biological Sciences • Building Sciences • Chemical and Physical Sciences • Geosciences • Computer Science and Informatics • Mathematical Sciences • Agricultural Economics	• Animal Science • Plant Breeding • Plant Pathology • Soil, Crop and Climate Sciences

Enquiries: Visit: www.ufs.ac.za/nas
Elfrieda van den Berg: +27 51 401 2531 | vdberge@ufs.ac.za (Marketing Manager)

In addition to the standard admission requirements for degree study, as a first-year student you are expected to

- have a minimum AP of 32 for all BSc programmes except programmes where stated otherwise for example: Construction Economics and Management, Construction Management, Quantity Surveying, and Physics with Engineering subjects, Architecture etc;
- have a performance level of 5 (60%) in Mathematics, unless stated otherwise; and
- have both Life Sciences and Physical Sciences on Level 5 (60%) for all BSc programmes, unless stated otherwise.

For more information, visit: www.ufs.ac.za/nas and click on 'Rulebook' or contact any of the staff members indicated next to the respective programmes.

NATURAL SCIENCES

Here, we constantly shift the frontiers of knowledge through fundamental research, innovation, and new technology development in support of our efforts to stay in step with the challenges of an ever-changing world. Our expertise in the Natural Sciences includes Mathematics, Mathematical Statistics, Actuarial Science, Chemistry, Physics, Engineering Sciences, Geography, Geology, Biological Sciences, Computer Science and Informatics, and Sustainable Food Systems and Development.

THE FOLLOWING DEGREES AND PROGRAMMES ARE PRESENTED ON THE BLOEMFONTEIN CAMPUS:

The **Bachelor of Science degree** is a three-year programme. The degree code is 43001 and the qualification is presented full time, which requires face-to-face classes; it is therefore a residential programme. This degree offers different specialisation fields, for example, Biological Sciences, Chemical Sciences, Geosciences, Mathematical Sciences, and Physical Sciences, etc. The tables below indicate these specialisation fields as well as the different major combinations available.

BUILDING SCIENCES

Bachelor of Architecture (BArch):

Enquiries: Programme Director: Kobus du Preez: +27 51 401 2332 | dpreezjl@ufs.ac.za | www.ufs.ac.za/architecture

The **Department of Architecture** is underpinned by a critical enquiry into meaningful place-making. The department focuses on the caring design of the built environment in the following ways:

- RESEARCH – Dedicated undergraduate bachelor's and postgraduate honours, master's, and doctoral programmes and focused research by staff members in architectural history, theory, ethics, and design.
- TEACHING – Formal lectures, interpersonal studio facilitation, vertical studio sessions, construction site visits, annual design excursions, and visits to architectural practices.
- COMMUNITY SERVICE – The UNESCO-accredited Earth Unit and community service learning.
- PRACTICE – Unconditional validation as a South African Architectural Learning Site, locally by the South African Council for the Architectural Profession (SACAP), and internationally by the Commonwealth Association of Architects (CAA). Associated with the South African Institute of Architects (SAIA).
- Through the integration of design, construction, theory, and history, we aim to sensitively, critically, and sustainably learn to provide meaningful places in the South African and international context.
- After completion of their studies, students will be equipped to register through SACAP as architectural draughtspersons, architectural technologists, senior architectural technologists, or professional architects.

Selection procedure:
Information on the selection process is available on the departmental website: www.ufs.ac.za/architecture see 'Academic Information'.
- You must pass a selection process. Visit www.ufs.ac.za/arch-selection, print the selection form, and submit completed form to NoReplyArchiSelect@ufs.ac.za before/on **31 July 2025.**
- We will notify you of the selection outcome no later than **30 November 2025.**

FACULTY OF THE HUMANITIES

The primary purpose of a Humanities education is to give you access to critical thinking skills, appreciation of literature, understanding of cultures, the use of power, the mysteries of the mind, the organisation of societies, the complexities of leadership, the art of communication, and the challenge of change. All of these skills will support you in your future career. A qualification in the Humanities is therefore well respected all over the world. People with this type of qualification form the backbone of society.

The Faculty of The Humanities offers a great variety of academic options that vary in disciplines, including Languages, the Arts, Human Sciences, Social Sciences, Social Work, and Cultural Science. This makes it possible for you to compile a degree programme suitable for your career choice, interests, and aptitudes.

Certain programmes were developed to train you for a specific career, while others equip you with skills needed for various positions. Today's ever-changing career world requires various skills that this faculty can equip you with, including language proficiency, communication skills, creativity, interpersonal skills, problem-solving skills, computer literacy, and critical thinking.

FACULTY OF THEOLOGY AND RELIGION

The faculty is the only institution in central South Africa that offers fully-fledged, all-inclusive theological education to train students for a professional career in ministry. It offers training in all theological disciplines, starting at undergraduate level. The faculty embraces values that encourage cultural, gender, and ethnic inclusivity, promote academic and intellectual excellence, innovation, support, as well as spiritual and ethical integrity. It also strives to establish a sense of community and hospitality within all the spheres of faculty activities. The Faculty of Theology and Religion delivers a unique national and international contribution to the development of the church, society, and the academic environment. This is achieved through quality theological education and specialist research based on dedicated theological teaching and a solid research framework.

Enquiries: Academic Advising Office: +27 51 401 2786 | theology@ufs.ac.za

Note: All applicants who meet the institutional admission requirements will be considered for selection based on the information submitted on a selection form. The link to the selection form is available during the online application process and can also be requested from theology@ufs.ac.za

Applicants who have not completed the selection form will not be considered.

The Faculty of Theology and Religion Admission Committee makes the final admission decisions.

All first-time entering mainstream students must write the UFS test of academic literacy. If the stipulated requirements of the UFS test of academic literacy have not been met or the results of the tests cannot be submitted, students will be required to register and successfully complete the applicable CAL development module.

THE FOLLOWING PROGRAMMES ARE PRESENTED ON THE BLOEMFONTEIN CAMPUS:

PROGRAMME DESCRIPTION		MINIMUM ADMISSION REQUIREMENTS		
PROGRAMME	ACADEMIC PLAN CODE	AP	ENGLISH	CAMPUS
Bachelor of Divinity* (BDiv)	BC940301	28	4 (50%)	BC

Notes:
- The Bachelor of Divinity is a qualification in Theology that focuses on professional ministry.
- Although the Academic and Quantitative Literacy tests (NBT) are written, only the results of the Academic Literacy test are used during the registration process.
- All first-time entering mainstream students must write the UFS' test of academic literacy. If the stipulated requirements of the UFS test of academic literacy have not been met or the results of the tests cannot be submitted, students will be required to register and successfully complete the applicable CAL development module.

EXCLUSIVE INVITATION TO **TOP ACHIEVERS**

Are you among the brightest minds, with a remarkable academic track record? If so, this message is for you.

If you have demonstrated exceptional academic prowess, with an Admission Point (AP) score of 35 or above – and meet the criteria for your chosen programme, you are recognised as a Top Achiever at our institution. This prestigious status entitles you to a conditional admission offer, paired with the added benefit of a merit bursary. The value of this bursary is a direct reflection of your hard-earned AP score, designed to reward your dedication and intellectual excellence. Please note that while this offer opens doors to a multitude of our distinguished programmes, it does not extend to those that require a separate selection process.

Your future is bright and promising. Let us illuminate the path to your continued success.

Academic merit awards for new first-year students

The UFS offers academic merit awards for first-year students. These awards are automatically awarded to new students based on their performance in the final matriculation examination. **You can use your merit award to register.**

The following scale is used to allocate awards:

ADMISSION POINT	AWARD VALUE
35-37	R6 000
38-40	R10 000
41-43	R15 000
44+	R20 000

The award value is based on the formula used to calculate the admission point.

NSC LEVEL OF ACHIEVEMENT	ACHIEVEMENT LEVEL REQUIRED BY THE UFS	UFS ADMISSION POINT (AP)
7 (90%-100%)	8 (90%-100%)	8
7 (80%-89%)	7 (80%-89%)	7
6 (70%-79%)	6 (70%-79%)	6
5 (60%-69%)	5 (60%-69%)	5
4 (50%-59%)	4 (50%-59%)	4
3 (40%-49%)	3 (40%-49%)	3
2 (30%-39%)	2 (30%-39%)	2
1 (0%-29%)	-	-

The award offer is subject to you meeting the minimum admission requirements in your programme of study at the UFS as a first-year student in 2025.

APPLICATION AND ADMISSION TO THE UFS

FAQ'S

IMPORTANT INFORMATION FOR ALL STUDENTS:

- Limited space: Keep in mind that all programmes have limited space available; therefore, you are encouraged to apply as soon as possible and to apply before the closing dates, to avoid disappointment.
- Meeting the minimum admission requirements for your chosen/ intended programme of study does not guarantee admission, as limited space is available in each programme.
- National Senior Certificate: If you already have a National Senior Certificate (NSC), you must include a copy with your application form.
- Application: Make sure that you complete the online application properly and upload all the required documents. An incomplete application, as well as outstanding documents, will delay your application process. Remember to indicate if you need on-campus residence accommodation and/or financial
- aid, indicate this in the relevant fields.
- Transferring students: If you transfer from another tertiary institution, you must include a certificate of conduct and an official study record from the previous tertiary institution with your application.
- International students: If you are from another country, you must attach your certified school-leaving certificate and relevant
- diplomas. Universities South Africa (USAf) Certificate of Exemption is required if you do not have an Endorsed South African Senior
- Certificate.
- You can apply at the UFS before receiving the exemption certificate from USAf.
- If you are an international student who is currently in Grade 12, the UFS may make a conditional offer based on your final Grade 11 results.
- If you do not have matriculation exemption, the Office for International Affairs will apply for the USAf certificate of exemption.
- You will have to pay the prescribed fee before the Office for International Affairs attends to the USAf exemption application.
- You must pay and submit the relevant documentation as soon as you receive the final Grade 12 results.

CHART YOUR COURSE TO **SUCCESS.**

In just seven steps, you can fulfil your dream of studying at an institution where we transform lives and inspire excellence:

Apply online.

Visit https://apply.ufs.ac.za

The UFS offers selection and non-selection programmes. You can only apply for two academic study choices. If one option is a selection programme, it MUST be your first choice.

Your application is submitted. You will receive a reference number. A few days later you will receive an acknowledgement of your application together with your student number. If you have not submitted all the required documents, your application will be incomplete.

Your application is evaluated by the university. Should you meet all the requirements, you will receive a conditional offer. Note that qualifying for your programme of choice does not guarantee admission. For application status, refer to https://www.ufs.ac.za/docs/librariesprovider43/default-document-library/status-guide.pdf?sfvrsn=886e1c20_0

If you have indicated in your application that you require on-campus accommodation, you will also receive correspondence from Housing and Residence Affairs.

When the final Grade 12 results are released in January 2025, all applications will be re-evaluated; should your evaluation be successful, you will receive a final offer. Take note that meeting the minimum admission requirements for your programme of choice does not guarantee admission.

Accept the offer online within the stipulated time frame. If you fail to accept the final offer before the deadline, it will be withdrawn, and you will forfeit your space, as space is limited.

The prescribed first payment should be made at least five working days before registration.

WHAT DO YOU NEED TO STUDY AT THE UNIVERSITY OF THE FREE STATE?

To apply, you need the following documents in PDF format (less than 2 MB each):

- Your ID if you are a South African citizen.
- Your passport if you are an international student.
- Your parent's/guardian's ID or passport if you are younger than 18.
- Your final Grade 11 results or the equivalent thereof with the school's stamp.
- Your mid-year Grade 12 results or the equivalent thereof.
- Grade 12 certificate or the equivalent thereof if you have already matriculated.
- Your academic record, only if you are/were a student at another accredited institution of higher learning.
- If you transfer from another tertiary institution, you must include a certificate of conduct and an official study record from thecprevious tertiary institution with your application.
- A Universities South Africa (USAf) Certificate of Exemption is required if you do not have an Endorsed South African Senior Certificate. Apply to mb.usaf.ac.za for conditional exemption, foreign conditional exemption, or mature age conditional exemption. If you are eligible for the certificate but have not yet applied for it, we will assist you with the process. Therefore, you can apply to study before receiving the required certificate. Contact the Office for International Affairs at: oiastudentadmin@ufs.ac.za | +27 51 401 3219 | niemannaja@ufs.ac.za or +27 51 401 9032 | tshabalalal@ufs.ac.za

  International students must send their final results to oiastudentadmin@ufs.ac.za
- Visit https://apply.ufs.ac.za
  Keep your mobile phone and an active email address ready, as you require both to access and complete the online application form.

The online application is quick and easy – no hassle, no fuss! It has an easy and modern design and is mobile-and tablet-friendly.

Calculation of your admission point (AP) score:

It is important that you thoroughly study the admission requirements of the programmes you are interested in. The UFS calculates your AP score based on the NSC achievement scale. An AP score consisting of seven levels is used. Points will be awarded for six academic subjects (note: no points will be awarded for achievement levels lower than 30%). One point is awarded for Life Orientation from achievement Level 5 (60%) or higher when calculating your AP score for admission purposes.

To calculate your AP, you can use the following example:

For five (5) academic subjects, you must obtain a level 5 (60%)	5 x 5 = 25
For one (1) further academic subject, you must obtain a level 4 (50%)	1 x 4 = 4
For Life Orientation, a level of 5 (60%) or higher to score 1 point	1 x 1 = 1
UFS overall AP score	**= 30**

NSC Level	UFS AP
7 (90%-100%)	8
7 (80%-89%)	7
6 (70%-79%)	6
5 (60%-69%)	5
4 (50%-59%)	4
3 (40%-49%)	3
2 (30%-39%)	2
1 (0%-29%)	-

The UFS further confirms that your personal information will only be used for purposes relating to your potential relationship with the UFS as a student, including but not limited to the processing of your application to study at the UFS, effecting registration at the UFS, and for any communication purposes related to your application and/or registration to study at the UFS.

ADMISSION TO **STUDY AT THE UFS**

Unlock Academic Prestige at the UFS:
Where Merit Meets Opportunity

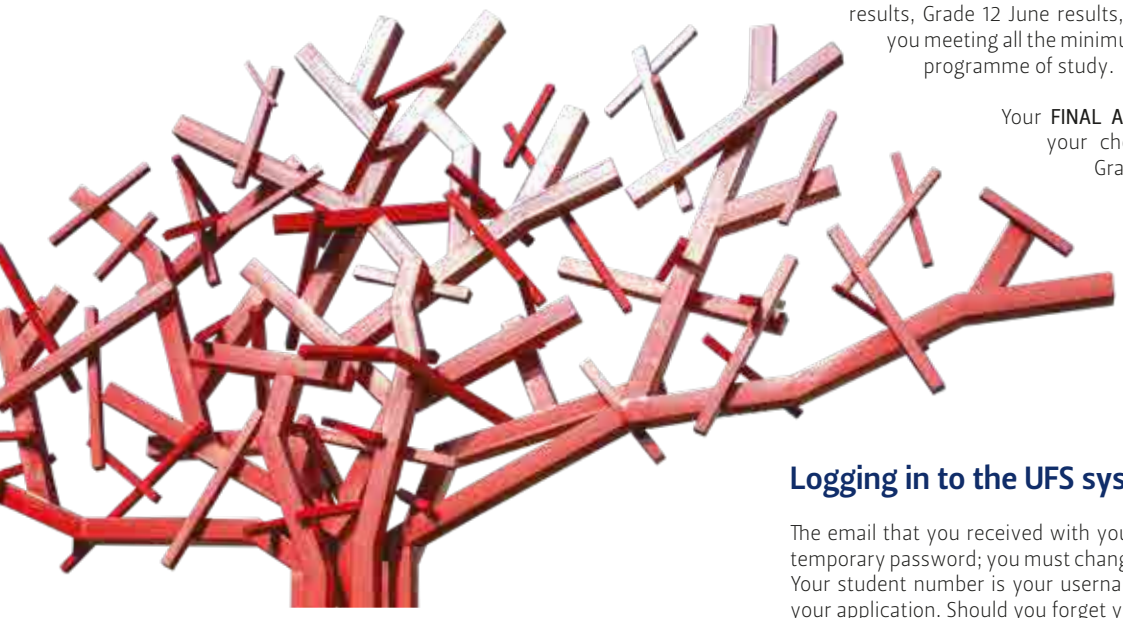
At the University of the Free State (UFS), we are synonymous with academic excellence – your gateway to unlocking the illustrious halls of our institution. The key to this gateway? Your Admission Point (AP) score. A higher AP score not only elevates your prospects of being selected, but also significantly enhances your chances of securing admission to the study programme of your aspirations. Consult the faculty-specific admission requirements for all the programmes you qualify for and apply for the two programmes that best fit your personality, purpose, and passion.

Understand, however, that achieving the minimum admission requirements is the first step, not the guarantee of your journey with us, as each programme we offer is distinguished by its exclusivity and limited availability. This competitive edge ensures that we select only the most qualified applicants, prioritising those with the highest AP scores, and continuing the admission process until every place is filled. We advise you to apply for not **one, but two programmes** that resonate with your unique persona, your deep-seated ambitions, and your fervent passions. At the UFS, we do not just foster learning; we craft futures. Choose wisely, aim high, and embark on a path that is quintessentially yours. Your academic journey towards excellence awaits at the UFS – where your potential transforms into achievement.

The process:
Embark on Your Journey with Assurance

You will be **CONDITIONALLY ADMITTED** based on your Grade 11 final results, Grade 12 June results, or equivalent results subject to you meeting all the minimum requirements for the intended programme of study.

Your **FINAL ADMISSION** to the programme of your choice will depend on your final Grade 12 results. You will be notified of the university's admission decision immediately after your final Grade 12 results have been released by the Department of Basic Education. Therefore, it is your responsibility to ensure that your contact details on your application form are correct.



Logging in to the UFS system:

The email that you received with your student number includes your temporary password; you must change it immediately and keep it safe. Your student number is your username. This is important in tracking your application. Should you forget your password, follow this link: **https://selfservice.ufs.ac.za/sspr/private/login** to reset.

INTERNATIONAL STUDENTS

Application and admission requirements for **international students** and **local students** writing international examinations:

- The closing date for applications from international students for undergraduate study is 31 August 2025.
- You must have a VALID study visa endorsed for study at the UFS, and not any other institution in South Africa, before entering South Africa to study at the UFS.

You must be a **member of a medical aid** registered in terms of the South African Medical Schemes Act, as required by the South African Immigration Act. Your medical aid **MUST be valid** for the duration of the academic year (until 31 December), renewable each year. No travel insurance, hospital plans, or foreign medical aids will be accepted.

- A **non-refundable annual administrative levy** is charged on all international student accounts.
- Students from **outside the Southern African Development Community (SADC)** pay international fees, which are 50% more per module per year compared to the fees paid by South African students.

The UFS **cannot offer financial support** (bursaries, loans) to international students. It is therefore important to ensure that you have sufficient financial resources for the planned duration of your studies.

- A first payment is required **before you can register** as a UFS student. The Department of Student Finance will communicate the amount and payment deadline to you.
- Should you **fail to pay your tuition fees in total by 30 June**, your registration will be suspended.
- **If you have a scholarship**, inform your sponsor of the UFS regulations on registration fees and tuition fee payments before you register.

- **A Universities South Africa (USAf) Certificate of Exemption is required** if you do not have an Endorsed South African Senior Certificate. For applicants who are currently in Grade 12, the UFS may make conditional offers based on the final Grade 11 results. If any other results are available, kindly submit them as well with your application.
- **Cambridge and international students** – please note that you need to submit your predicted results/mid-year results to the Office for International Affairs at OIAstudentadmin@ufs.ac.za as soon as you receive them from your school.

It is important to distinguish between 'Grade 12 statement of results' and 'Matric Certificate'. USAf does not issue 'conditional exemption certificates' based on Grade 11 and mid-year Grade 12 results. Current Grade 12 learners apply for exemption when the final Grade 12 statement of results is available in January. If you meet the exemption requirements with your final Grade 12 'statement of results', USAf will issue a **'conditional exemption letter'**. The actual exemption certificate will only be issued on receipt of a Matric Certificate (available around May).

If you **do not have matriculation exemption**, the Office for International Affairs (OIA) will assist you with the application for the USAf certificate of exemption. You will have to pay the prescribed fee before the Office for International Affairs will attend to the USAf exemption application. You must pay and submit the relevant documentation as soon as you receive the final Grade 12 results.

English is the principal medium of instruction; therefore, you must have an adequate command of the English language.

CONVERSION TABLE

The UFS uses a conversion table to help us consider all applications equally. If you are an international and/or home-schooled prospective student, use the conversion table below to calculate your admission point (AP). The table applies to all examination authorities/bodies in South Africa and internationally (upload international results as symbols).

The conversion table below reflects the minimum admission requirements and is a guideline only. Meeting the minimum admission requirements for your chosen/intended programme of study does not guarantee admission, as limited space is available in each programme. Final selection is subject to the availability of space, academic results, and other admission requirements where applicable.

NOTE: The University of the Free State will only accept an official Cambridge Certificate (Statement of Results) that displays an EMIS number.

TO ENROL AT THE UNIVERSITY OF THE FREE STATE AS AN **UNDERGRADUATE INTERNATIONAL STUDENT IN 2026,** YOU NEED TO FOLLOW THESE STEPS:

STEP 1

Submit your online application to the UFS at ***https://apply.ufs.ac.za/apply*** Please make sure that you capture subjects exactly as stated on your school-leaving report – not percentages.

You need to upload copies of the following documents:

- Your passport or South African identity document
- Your final Grade 11 results with the school's stamp
- Your mid-year Grade 12 results
- If available, your final Grade 12 results with the school's stamp
- If available, certified copy of your school-leaving certificate
- If applicable, proof that you are currently enrolled for the Advanced Subsidiary/Advanced level
- If applicable, study record (academic transcript) with a certificate of conduct and/or qualification certificate if you have obtained your degree.

STEP 2

Your application is submitted. You will receive a student number and acknowledgement of your application. If you have not submitted the required documents, you will be requested to do so to finalise your application.

STEP 3

Your application and eligibility for a USAf Certificate of Exemption, if applicable, are evaluated by the university to determine whether you meet the exemption requirements (using a combination of Grade 12 mid-year AS-level and Grade 11 O-level results). Should your evaluation be positive, you will receive a conditional offer to study – SUBJECT TO AVAILABILITY OF SPACE. Selection programmes are excluded. If you have indicated in your application that you require on-campus residence, you will also receive correspondence from Housing and Residence Affairs. Note that qualifying for your programme of choice does not guarantee admission.

STEP 4

If you do not yet have a Universities South Africa (USAf) Certificate of Exemption, or are in the process of applying for one, the UFS OIA will assist you. The office can apply to USAf on your behalf. Once you receive a conditional offer to study, please liaise with oiastudentadmin@ufs.ac.za for assistance. Detailed information is included on ***https://www.ufs.ac.za/supportservices/departments/international-affairs***
You will be responsible for the payment of the USAf fee. Please note that assistance from the OIA is only available if you apply to the UFS. Uncertified copies of the following documents are required:

- proof of payment of the USAf fee made directly to USAf (deposit the amount into the account of the Matriculation Board at:
- Bank: ABSA
- Branch: Sunnyside (630345)
- Account number: 405 903 6917
- uncertified senior/school leaving certificate
- uncertified academic records of UFS discretionary year studies
- uncertified copy of South African ID or passport

The UFS OIA can assist with the certification of copies of supporting documents. Please note that documents certified by the South African Police Service are not accepted by USAf.

STEP 5

Apply for a police clearance certificate, which must cover either the past 12 months or the entire period since you turned 18, whichever is longer. You need a police clearance certificate from every country where you resided in this period.

STEP 6

Following receipt of the conditional offer to study, you will receive a visa (undertaking) letter from the UFS OIA. Please contact niemannaja@ufs.ac.za or tshabalalal@ufs.ac.za to assist you with this letter.

STEP 7

Contact the OIA for individual advice on study visa applications and mandatory South African medical aid. Please contact niemannaja@ufs.ac.za or tshabalalal@ufs.ac.za for assistance

STEP 8

Obtain mandatory South African medical aid – the OIA (contact details above) can assist you. This is required for you to be able to obtain a study visa.

STEP 9

Apply for your study visa. Detailed instructions are included on **https://www.ufs.ac.za/supportservices/departments/international-affairs**
The OIA will assist you.

STEP 10

You need to source and secure financial support for your studies.

STEP 11

When your final statement of results is available, it must be submitted to the UFS. Your conditional offer will be re- evaluated, and you will receive a final admission outcome.
Take note that meeting the minimum admission requirements for your programme of choice does not guarantee admission.

STEP 12

Complete the acceptance process for the offer online within the stipulated timeframe. If you fail to complete the acceptance process for the offer before the deadline, the offer will be withdrawn, and you will lose your space. Note that limited space is available.

STEP 13

If you meet the requirements, you will be allowed to register conditionally on condition that you finalise the application for Matriculation Exemption.

STEP 14

Pay the prescribed first payment before registration. You can move into the residence on campus where you have been placed, or into off-campus accommodation, and then start your academic activities, including orientation, academic advice, and registration.

OFFICE FOR **INTERNATIONAL AFFAIRS (OIA)**

The Office for International Affairs (OIA) serves as the first port of call for all international students at the UFS, providing assistance and specialised administrative support. The principal purpose of the OIA is to enable internationalisation at the UFS.

Where can you find the Office for International Affairs?

Our offices are located on the second floor of the Theology Building on the Bloemfontein Campus, and on the second floor of the Administration Building on the Qwaqwa Campus.

SECURE FINANCIAL AID (BURSARIES) FOR YOUR STUDIES

Enquiries for bursaries, NSFAS, and merit bursaries:
+27 51 401 9111 (option 3)
NSFAS call centre: 08000 67327

Some bursaries do not pay out immediately, and the delay can cause you stress and anxiety. To avoid the stress and anxiety about your finances, you are advised to source and secure funds when you apply for studies at the UFS to support yourself in terms of registration fees, books, meals, accommodation, transport, etc., while you wait for the bursary to pay out. Do not wait until the last minute.
The University of the Free State offers the following bursaries for qualifying students:

ACADEMIC MERIT AWARDS FOR NEW FIRST-YEAR STUDENTS

The UFS offers academic merit awards for first-year students. You have worked very hard and the UFS values and acknowledges your effort. You can use your merit award allocation to register. If your merit award is less than the required registration fee, you will have to pay the balance to finalise your registration.

The university reserves the right to amend the regulations and award values and/or conditions applicable to the awarding thereof without prior notice.

If you qualify for an academic merit award, we will credit your class fee account with the amount of the award after you register as a student at the University of the Free State.

The following scale is used to allocate awards:

ADMISSION POINT	AWARD VALUE
35-37	R6 000
38-40	R10 000
41-43	R15 000
44+	R20 000

The award value is based on the formula used to calculate the admission point.

NSC LEVEL OF ACHIEVEMENT	ACHIEVEMENT LEVEL REQUIRED BY THE UFS	UFS ADMISSION POINT (AP)
7 (90%-100%)	8 (90%-100%)	8
7 (80%-89%)	7 (80%-89%)	7
6 (70%-79%)	6 (70%-79%)	6
5 (60%-69%)	5 (60%-69%)	5
4 (50%-59%)	4 (50%-59%)	4
3 (40%-49%)	3 (40%-49%)	3
2 (30%-39%)	2 (30%-39%)	2
1 (0%-29%)	-	-

These awards are automatically awarded to new students based on their performance in the final matriculation examination. The award offer is subject to you meeting the minimum admission requirements in your programme of study and being registered at the UFS as a first-year student in 2026.

First-year students who initially registered at other higher-education institutions

First-time entering first-year students who initially registered at other higher-education institutions, discontinued their studies, and then register at the University of the Free State, will not qualify for academic merit awards during their first year of study.

What does this mean? If you transfer to the UFS from another university, you cannot get an academic merit award based on your final Grade 12 results during your first year of study at the UFS.

Interruption of studies

To qualify for an academic merit award, a student must register at the University of the Free State as a student again. If there is an interruption of more than five (5) years between the last examination (matric or university) and the year in which the award must be awarded, the student does not qualify for an award.

What does this mean? If you interrupt your studies for more than five (5) years, you will lose the academic merit award.

Discontinuation of study

If a student discontinues his/her course during the year, the award will be recovered pro rata.

What does this mean? If you have an award and stop studying, any credit balance on your UFS class-fee account (up to an amount equal to that of the award) will be taken away after you have discontinued your studies.

Payment of academic merit award

Students who qualify for an academic merit award will have the awarded amount credited to their tuition-fee account after registration at the UFS.

What does this mean? You will not get cash; the money will be paid into your student account at the UFS.

Undertaking

The student undertakes to complete his/her degree studies at this university. If he/she does not complete the course, Council reserves the right to claim back the entire awarded amount or the part thereof that may already have been paid out. However, each case will be treated on merit.

An award may be withdrawn at any time if the behaviour, diligence, or progress of the student is found to be unsatisfactory. If the examination results of a merit-award recipient are such that he/she will have to repeat the studies of a full year/semester, the award will be regarded as a study loan, and it will have to be paid back.

What does this mean? If you get an academic merit award from the UFS, you can only complete your studies at the UFS. If you don't complete the qualification, you may have to pay back all the money, or some of it. It depends on your specific situation. If you do not perform well academically, or behave badly, you may lose the award.

Occasional Studies

Students who register for occasional studies do not qualify for merit awards based on their academic achievement of the previous year or academic achievements during their occasional studies.

The university reserves the right to amend the regulations and award values and/or conditions applicable to the allocation of awards without prior notice. **Terms and conditions apply.**

STUDENT **FINANCE**

Higher education is a financial investment in your future. By learning how to manage your finances and maintain good credit, you will contribute to your success at varsity and after graduation. Student Finance is here to guide you every step of the way!

Being proactive about your personal financial management will help you to reduce your stress and plan for your future.

Here are some helpful tips for your personal financial management:

All the financial information you need is available on the university website.

- Visit www.ufs.ac.za and follow the links: Students > Student Finance, or
- Scan the QR code to access Helpful Links.

STEP 1

Start by doing an online quotation based on the programme/modules you plan to enrol for. For the estimated costs/ quotation, visit www.ufs.ac.za and follow the links: Students – Student Finance – Quotation.

Budget for other expenses such as registration, breakage fee if you are selected to stay in a campus residence, private accommodation if you stay off campus, textbooks, study material, pocket money, food, data, travelling, clothes, and any other expense you might need to consider.

STEP 2

STEP 3

Have a look at the Student Finance Yearbook for first payments payable prior to registration, and the estimated average cost per year of the most popular academic programmes. You can access the Student Finance Fees Yearbook at www.ufs. ac.za – Students – Student Finance – Fees Yearbook 2025 or click on First Payment.

If you need financial assistance, apply for funding to help pay your fees early so that you are not stressed and can secure your financial assistance ahead of registration. Funding takes the form of bursaries, scholarships, and loans. A list of all providers of financial aid to students known to us can be found at https://www.ufs.ac.za/kovsielife/unlisted-pages/bursaries/financial-aid You are encouraged to visit the webpage.

STEP 4

STEP 5

Please remember to take note of the payment dates to ensure that your account remains in good standing. There are different dates for South African students and international students.

Your student/ID number must always be mentioned in all correspondence with the university.

2026 ESTIMATED **FEE STRUCTURE**

Please take note that this is only an estimation and is subject to change.

Refer to the rulebook of your chosen faculty, which is available on the faculty's website, and then populate the information from the modules in the rulebook:

https://www.ufs.ac.za/templates/rule-books

https://kovsielife.ufs.ac.za/quote/quote.aspx

The system will generate a quotation.
Without module codes they cannot do a quotation

#TIP

The below degree programme/tuition-fee estimates are only guidelines to enable you to plan the cost of study for your first year. These estimates EXCLUDE other expenses, e.g., food, uniforms, textbooks, study material, stationery, accommodation, travelling, etc. Also note that these programme prices are estimated averages per year and are subject to change.

Notes and study material

Study material/notes are automatically prepared when you register and is charged accordingly. It is your responsibility to collect the study material. If you cancel/discontinue any of the modules, you will not be refunded for the notes.

Student card

You will receive a student card when you produce proof of registration. Your student card is your key to all kinds of services and events at the UFS. It is your official university identification, and as a student or employee, you must carry it with you whenever you are on campus. Your electronic student card is for your use only; nobody else may use it. Your personal details are associated with your card and are unique to your card. Your first card will be issued free of charge. A fee is payable to replace a lost, stolen, or damaged card.

Parking disc

To park in designated parking spaces allocated to students, you must buy a parking permit/disc from Traffic Services by the end of February. It must be displayed on the windshield of your vehicle.

CENTRE FOR **TEACHING AND LEARNING**

> **"Advising is a way to connect students to the campus and help them feel that someone is looking out for them."** George Kuh

JOURNEY TO **SUCCESS**

To complete phase two of your registration process, you are required to consult with an academic adviser. The faculties, in collaboration with the Centre for Teaching and Learning (CTL), have dedicated academic advisers to help you better understand how your academic aspirations connect with your dream job. To help you along your way, we offer you three main types of advisers who can support and guide your journey to academic success:

Faculty/Curriculum Advisers:

- ***Who are they?*** Faculty managers, faculty academic advisers, and programme directors
- ***How can they help me?*** They provide curriculum-specific advice and help you select and define your curriculum and majors (select modules).

Central Advisers:

- ***Who are they?*** Advisers in the Centre for Teaching and Learning (CTL)
- ***How can they help me?*** They provide advice to students who have not yet decided on their final choice of study and help navigate your academic career in relation to your career dreams. They assist you to decide, commit to, and connect to the institution in order to get where you want to be.

Peer Advisers:

- ***Who are they?*** Student Life peer mentors, Gateway buddies, tutors, etc.
- ***How can they help me?*** Helping you connect to the campus and understand how to excel academically and socially.

These academic advisers help you make the right decision in selecting the curriculum that best fits your path towards earning your degree. This advice is your academic support and success lifeline while studying at the UFS and will keep you on track all the way to graduation!

As a prospective student, it is important that you connect with an academic adviser as early as possible. How to connect with an academic adviser:

- Call us: T: +27 51 401 9111 (option 2)
- Visit the faculty that you are interested in at https://www.ufs.ac.za/ templates/faculty-list
- **Send an email to:**
  - advising@ufs.ac.za (BFN Campus)
  - advisingqq@ufs.ac.za (QQ Campus)
  - advisingsc@ufs.ac.za (South Campus)
  - Chat with us on WhatsApp: 087 240 6370
  - Like the UFS Academic Advising page on Facebook

RECOGNITION OF PRIOR LEARNING **(RPL)**

The Recognition of Prior Learning (RPL) programme is an innovative pathway that acknowledges and leverages your existing knowledge and skills, bringing them to the forefront through a process of assessment and moderation. Our RPL initiative provides an alternative avenue for access and admission, bestows formal recognition, and paves the way for your continuous learning and professional development. We invite you to apply for RPL if you have amassed substantial learning from your professional experiences, formal education, or other relevant learning pursuits. The RPL office is committed to facilitating a seamless process, offering tailored advice and unwavering support to both candidates and faculty departments.

Determine whether your RPL is for undergraduate or postgraduate studies:

1. RPL for undergraduate access (offered on the Qwaqwa Campus)

2. RPL for postgraduate access (offered on the Bloemfontein and Qwaqwa campuses)

3. For more information on qualifications to access through RPL, please contact the RPL office or visit the relevant faculty/department.

Requirements:

- National Senior Certificate (i.e., Matric / Grade 12)
- 5 Five years' relevant work experience
- Completed workshops, short courses, and on-the-job training

Enquiries:
Qwaqwa Campus: E: rplqq@ufs.ac.za | T: +27 58 718 5120

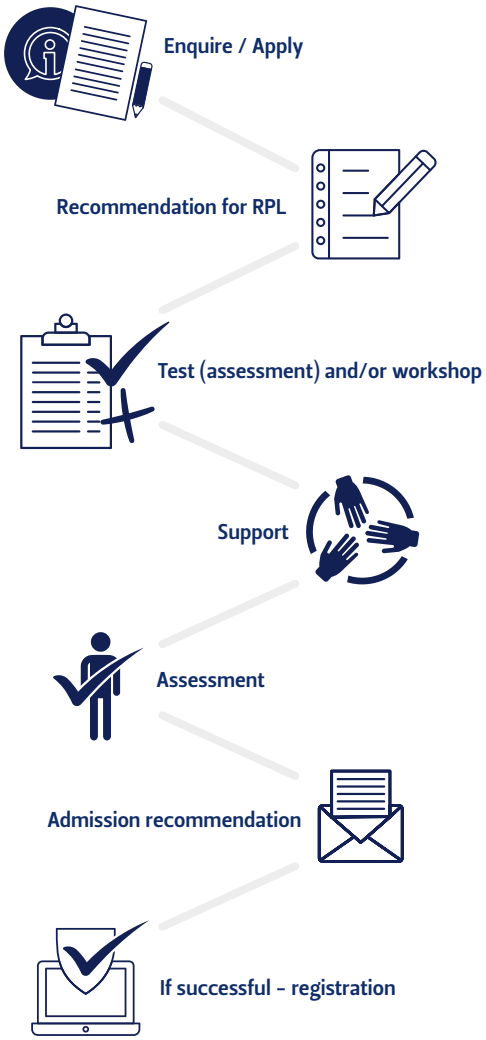
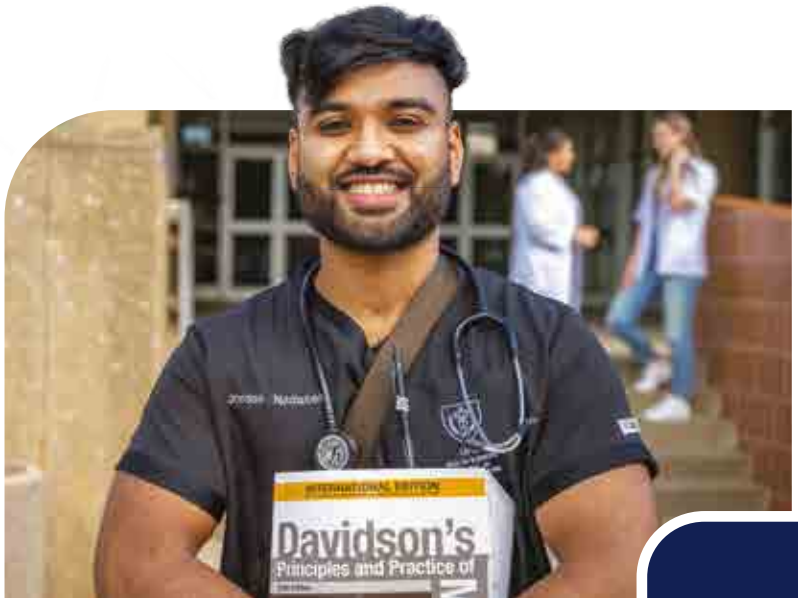
THE **RPL PROCESS**





CAMPUS SAFETY
OUR COMMITMENT TO CAMPUS SAFETY

The recent implementation of security enhancement measures by the university is a direct reflection of the UFS Security Policy's principles, as upheld by the Department of Protection Services. The policy emphasises the university's unwavering commitment to safety and the integration of security into everyday campus life, ensuring the well-being of students, faculty, staff, contractors and visitors. The approach aligns with the policy's goal of fostering a secure environment that is essential to the thriving UFS experience. By introducing these technical upgrades as well as other security enhancement measures, the university's Department of Protection Services is demonstrating its commitment to creating and maintaining a safe campus environment as outlined in its strategic plan. These actions underscore the importance of shared responsibility in maintaining a safe and vibrant campus life. The UFS Security Policy booklet encourages all community members to stay informed and engaged in security practices, reinforcing the collective effort to uphold the university's fundamental values of safety and security.

STUDENT **AFFAIRS**

Choose the University of the Free State and experience why
'only a Kovsie knows the feeling'.

At Student Affairs, we take care of you while you are a student on either our Bloemfontein, South, or Qwaqwa campuses; we do this through our student life communities, the Centre for Universal Access and Disability Support – or CUADS as it is known, Student Counselling and Development, and Student Governance.

The Department of Student Life and Communities purposefully fosters close collaboration with faculties and academic units to create a seamless integration between the social life and academic performance contexts of our students. A balance between academic responsibilities and vibrant student life is achieved through strong student communities and co-curricular programmes such as leadership development. As a Kovsie student, you will get the opportunity to be exposed to learning experiences outside the classroom that are intentionally designed to develop you into a well-rounded graduate.

The Centre for Universal Access and Disability Support (CUADS) assists students in gaining access to support regarding communication, for example Sign Language interpreting services; accessible study material, for example Braille; alternative assessment arrangements, such as concessions; and individual academic support through assistive devices.

We know that leaving home and moving to a new city to study is very challenging, and all our students are doing the best they can. To help you on your way and support you throughout your Kovsie journey, **Student Counselling and Development** is a key partner. It is important to know that you are not alone and that we, as the UFS, really care about your well-being. Therefore, we provide online resources as well as individual and group counselling to registered UFS students who are experiencing personal, psychological, and behavioural difficulties or require career guidance. We furthermore aid and support students on their journey of personal development in order to function to their full potential and effectively meet their educational and life goals. The mental, physical, and emotional well-being of our students is very important, and we take every measure to ensure that you enjoy your student years and develop holistically.

The fourth piece that completes the Student Affairs picture is **Student Governance.** We strongly believe in governance excellence, capacity building of our students through the promotion of professional student governance, and a complete humanising experience. The Student Representative Council or SRC, responsible for facilitating activities such as SRC elections, developmental training, and strategic planning, plays a key role on all three campuses. The office also embarks on hosting other activities, which include public conversations and seminars.

These activities promote the active participation of student leadership in institutional governance. Student governance, among others, drives the following:

- student participation and a sense of belonging and inclusivity through co-curriculum programmes and governance activities
- a strong governance culture that acts as a foundation for the advancement of transformation policies
- institutional and campus SRC and student parliaments, structured student governance training programmes, student organisations and associations, student governance structures, namely class representatives through which the faculty councils are constituted; first-year committees, residence subcommittees, and residence committees.

At the University of the Free State, we believe that every voice counts; therefore, our student leaders are actively participating in university and faculty governance and management structures.

Student Affairs on all three campuses echoes the spirit of the University of the Free State. Here you will find a home away from home and experience the care, protection, and support you deserve.

HOUSING AND RESIDENCE AFFAIRS

YOUR HOME AWAY FROM HOME

APPLICATION FOR RESIDENCE **ACCOMMODATION**

Our on-campus residences are in high demand, with a waiting list for applicants. If you wish to apply for accommodation in 2026, please indicate this in your online application.

You should indicate on the application for study in 2026 whether you want to apply for residence accommodation in one of the on-campus residences.

To become a resident in one of the campus residences, you need to:

- indicate your interest in residence (on-campus) accommodation on your online application for studies in 2026;
- keep your breakage deposit of R980 ready in case you are selected for placement in a residence;
- take note that the R980 is only payable once you have received a housing offer; and
- take note of the academic admission criteria for residences. Make sure that your admission point (AP) meets the criteria.

As a prospective student, you must keep in mind that placement in a residence does not mean that you have been selected for a particular field of study. To be considered for placement in a residence, you must have received either a conditional admission offer for a programme of study or a final and firm offer for admission. The final Grade 12 marks will eventually determine whether you qualify for admission to an undergraduate programme of study and residence accommodation. You will only be allowed to occupy the residence in which you have been placed once you register as a student.

NB!

Placement policy

Please visit our website for more information.

Contact details for residence applications:

Visit http://residences.ufs.ac.za
or send an email forcmore information to:

Bloemfontein Campus: resapplications@ufs.ac.za
South Campus: SCResApplications@ufs.ac.za
Qwaqwa Campus: res_infoqc@ufs.ac.za

Include your full name and student number when enquiring or following up on your housing application.

The following academic requirements apply for junior residences:

Bloemfontein and Qwaqwa Campuses:

- ***Meeting the minimum admission requirements for your chosen/ intended programme of study does not guarantee placement in a residence on campus, as limited space is available in each residence.***
- A minimum Grade 12 AP of **30 (Bloemfontein Campus) and 25 (Qwaqwa Campus)** is required for admission to a residence.
- Your academic merit is determined based on the most recent admission point as calculated by the university (whether Grade 11 or Grade 12 results).
- If you were admitted to a residence based on the Grade 11 AP, but the final Grade 12 AP is less than **the required AP**, your admission to a residence will be cancelled.
- If your current AP (Grade 11 final results or Grade 12 June results) is less than **the required AP**, you can still apply for residence accommodation. You will qualify for admission to a residence (subject to availability) if your final Grade 12 AP is **30 (Bloemfontein Campus)/ 25 (Qwaqwa Campus)**.
- If you were registered at the UFS or another tertiary institution for the second or subsequent years, you must have passed at least 120 credits to qualify for admission to a residence. Current first-year students will qualify for admission to a residence based on their Grade 12 AP.

South Campus: Admission to a full-time programme on the South Campus

- If you were provisionally admitted to a residence on the Bloemfontein Campus prior to your final Grade 12 results becoming available and your results indicate that your studies encompass an extended curriculum programme on the South Campus, such provisional admission will automatically be transferred to a residence on the South Campus. Subject to availability.
- Your admission is in all cases subject to you meeting the conditions pertaining to the admission.
- Ordinarily, students are admitted to South Campus residences based on their admission to an academic programme on the South Campus and available space.

When you accept the accommodation offer, you must pay the breakage deposit of R980.

Rules regarding deposits

You will **forfeit** the deposit you paid if accommodation has been allocated to you and a place has thus been reserved for you, when you:

- do not show up; or
- cancel your place after 31 December.

The breakage deposit may be used at the sole discretion of the university to recover any contingencies resulting in costs, losses, damages, penalties, etc.

The breakage deposit will ONLY be refunded if you

- do not comply with admission requirements;
- are not selected for a specific course;
- pass away;
- submit a satisfactory medical certificate as motivation for cancellation; and
- leave at the end of the accommodation term. The breakage deposit will be transferred to your tuition-fees account, and if this results in a credit on the account, the credit may be paid out on request.

Accommodation costs in case of cancellation of studies

First-time entering students (FTEN): In the event that a FTEN student cancels his/her residency in terms of Paragraph 6 of the Terms and Conditions, such a student will only be liable for the payment of any and all accommodation fees that are outstanding up to the cancellation date.

Non-FTEN: In the event that a student who is not a FTEN student cancels his/her residency in terms of this Paragraph 6 of the Terms and Conditions, such a student will be liable for the payment of any and all accommodation fees that are outstanding up to the cancellation date.

Family discount on tuition and/or accommodation fees

If **three or more** students who are dependents from the same family (children, stepchildren, adopted children, but excluding children-in-law or married children) study at the university and/or stay in university residences at the same time, the following discount will be granted on the amount payable for residing in a UFS residence, and on modules the students are registered for:

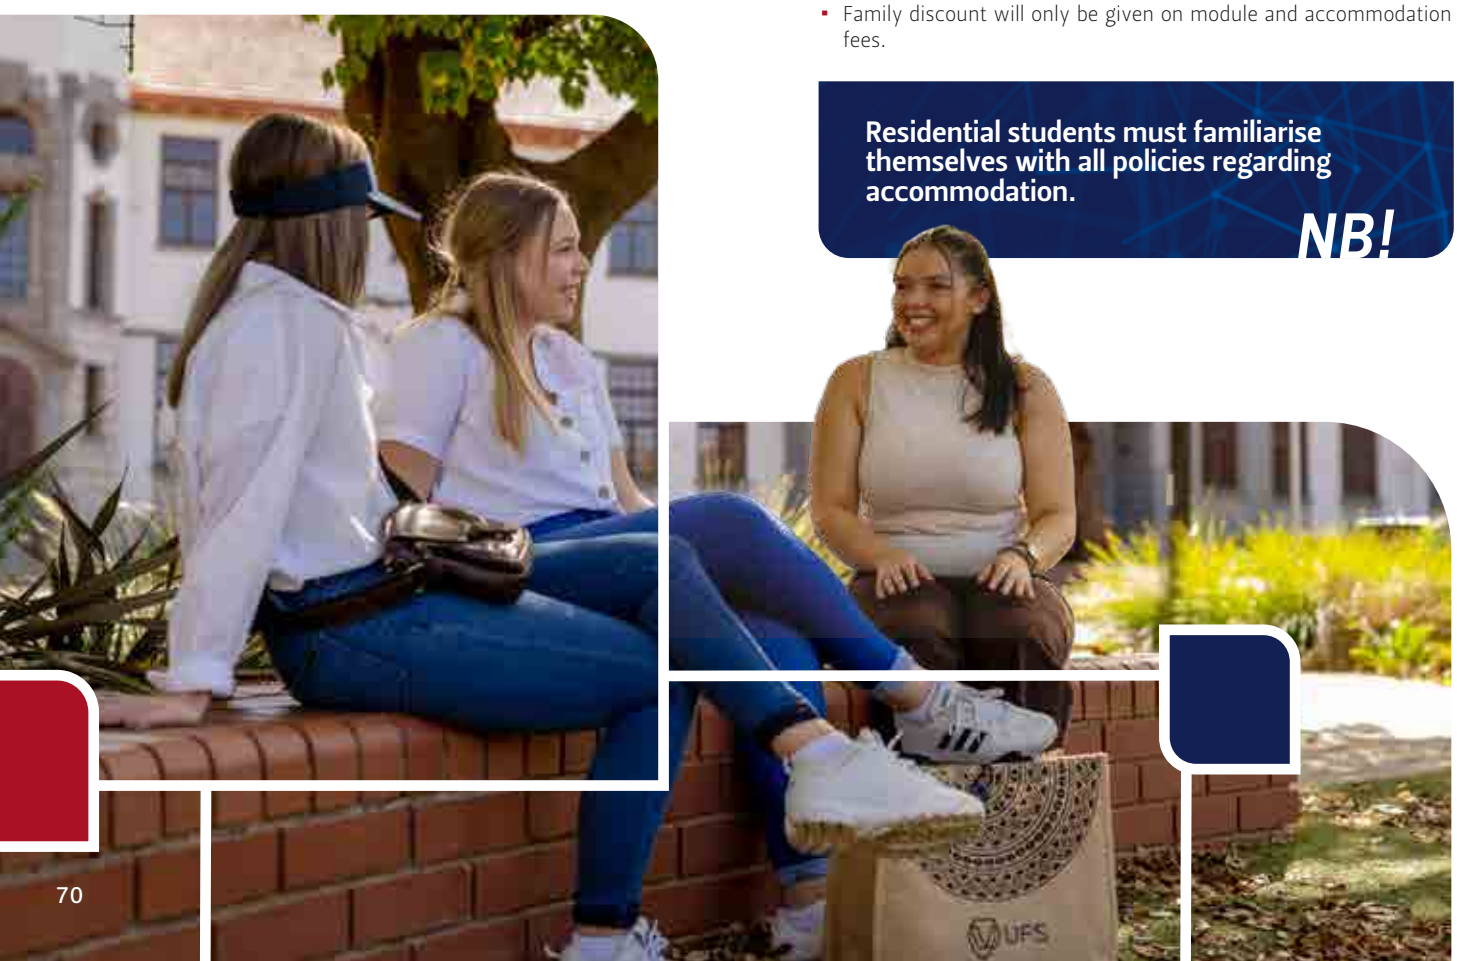
- Three students: 10%
- Four or more students: 15%

Discounts will be granted on the following conditions:

- A discount may only be claimed for full-time undergraduate SA students.
- All dependents must be under the age of 26.
- Students receiving any form of financial aid for tuition and/or accommodation fees do not qualify for this discount.
- The discount will be recalculated if one or more of the students discontinue their studies or leave the residence.
- Family discounts are not given automatically. You must apply for family discount in writing and must present evidence of relationships. The full particulars of the students concerned must be submitted.
- A discount may only be claimed for the current academic year.
- Family discount will only be given on module and accommodation fees.

Residential students must familiarise themselves with all policies regarding accommodation.

NB!



RESIDENCE LIFE AND COLLEGE COMMUNITIES

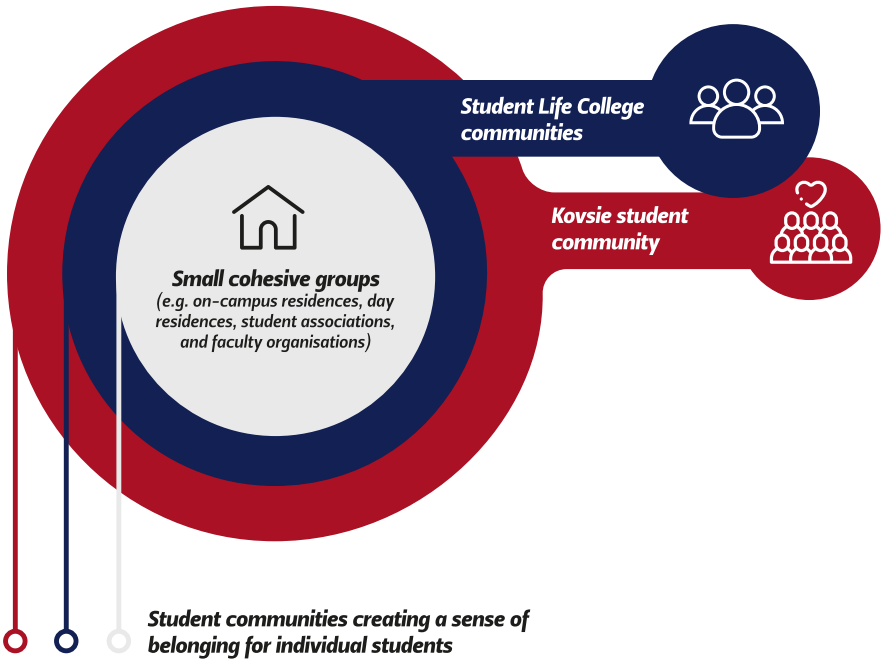
When you become a Kovsie, we want you to feel that you belong to a circle of friends, and that you belong to a community. A community that will support and inspire you to reach your full potential. This sense of belonging is facilitated through college communities. UFS college communities are created through small pockets or groups that build towards larger communities.

We encourage you to become a member of these cohesive groups through on-campus residences or day residences. Together, these groups form the strong building blocks of larger communities called College Communities.

College Communities are created by clustering on-campus residences, day residences, and accredited accommodation, which then collaborate with other stakeholders such as faculties, support services, and different Student Affairs departments. The college communities form the social spaces where you can engage in all student-life programmes, e.g., cultural events, sports events, community-service events, dialogues, etc.

In a community, we create an opportunity for engagement and communication. We have different student development programmes, such as:

- **leadership**, where you can be a residence committee member and lead your residence on different university platforms;
- **mentorship**, where a support structure is created for first-years' transition to the university;
- **arts and culture programmes**, which are platforms for students to showcase their different talents;
- **sport activities**: as a Kovsie student, you will continue to enhance your sports talent and if you are committed enough, you can represent Kovsies on national and international level.



Residences are communities created for students to develop outside the classroom. Each residence community has a residence head and a residence committee that oversees each residence. This leadership structure is responsible for managing residences and seeing to it that all activities offered are in line with the **vision, mission,** and **values** of the university.

On-campus residences

Your residence at the UFS will become your second home; life in a student residence at the UFS can be a very exciting and rewarding experience. As a Kovsie student, you will benefit from a whole new world of friendships that can last a lifetime. There are many people from different language, racial, and cultural backgrounds on campus. Living and learning in this diverse environment can give you a definite advantage over many other job seekers once you graduate, which will help you later in life.

The leadership in residence communities consists of a residence head, prime, residence committee, and peer mentors. This leadership team creates a residence environment where every student feels welcome and inspired. All residence communities are driven by a set of shared values, which mediates a culture of mutual accountability.

First-year students are supported in their transition to higher education by means of a peer-mentor system in residences. Each first-year student is allocated a peer mentor who facilitates individual conversation as well as conversations in small-group format with students. There are different types of residences – historical and older residences, and modern and newer buildings with different student communities.

Day residences

A day residence is a residence consisting of students who live off campus in private homes, student houses, townhouses, flats, rooms, etc. Students who are members of day residences must arrange their own accommodation off campus.

If you do not live on campus, a day residence gives you the opportunity to participate in organised student activities. It is very important to us that you have the opportunity to develop as a complete person by participating in academic and non- academic activities on campus. With day residences, you can participate in all activities offered in campus residences.

If you live off campus, you are free to join one of the day residence communities. Each day residence has a gazellie (or a large lounge with a kitchen and bathroom) on the campus, where the day residence communities host residence meetings, study, or just hang out and socialise.

Day residences offer students who are living off campus the following:

- mentorship and academic support
- learning and social spaces on campus where you can study and hang out with your friends
- access to UFS programmes and resources
- opportunities to develop holistically
- sharing innovative ideas
- growth
- a vibrant social life to build relationships
- fun, and fun, and more fun

The day residences on the Bloemfontein Campus are:

- **North College:** Veritas
- **South College:** Marjolein
- **East College:** Sonnedou, Arista, and Legatum
- **West College:** Imperium
- **Central College:** Kagiso

CENTRE FOR UNIVERSAL ACCESS AND DISABILITY SUPPORT **(CUADS)**

As the CUADS team, we will be delighted to welcome you as a student with a disability, because at CUADS we believe in your potential and creating opportunities where challenges are experienced.

The centre, which was established in 2001, has since grown and expanded significantly and today forms part of Student Affairs as an independent entity, with offices on the Bloemfontein, South, and Qwaqwa campuses. Supplementary to the academic support offered to students with disabilities, the centre aims to ensure that the UFS increasingly becomes a universally accessible higher education institution that embraces and is welcoming to all students, including students with disabilities.

We encourage you to contact us to enable you to achieve your academic goals. We are proud of each and every graduate with a disability at the UFS.

STUDENT COUNSELLING AND DEVELOPMENT **(SCD)**

At SCD, we strive to create a conducive environment for developing and achieving individual, academic, and career goals. We aim to support students in the resolution of challenges that may impede the fulfilment of their potential. SCD provides both psychological and social work services.

SCD fulfils the following essential roles:

- Providing online resources as well as individual and group counselling to registered UFS students who are experiencing personal, psychological, and behavioural challenges or require career counselling.
- Aiding and supporting students on their journey of personal development to function at their optimal potential and effectively meet their educational and life goals.
- Enhancing and supporting students' healthy growth and development through advocacy and consultations with the UFS community.

You are not alone! SCD provides services directly to all registered UFS students free of charge. Close working interactions between SCD and other UFS departments are maintained. We foster professional relations with medical and mental health services for resources that are not readily available on the UFS campuses. SCD has partnered with SADAG, who assists us in rendering telephonic counselling.

We provide high-quality professional psychological and social work support. Students who make use of this service experience improved psychological well-being, adjustment to university life, and an enhanced ability to cope with the demands of their respective courses. In everything we do, we keep our students' well-being in mind.

KovsieFit Gym

Welcome to KovsieFit! You know what they say about a healthy body … it feels fantastic, looks great, and is healthy. Located in the Callie Human Centre on the Bloemfontein Campus, we firstly welcome students and staff, and then the public. Shape the body you've always wanted with our various training classes, supported by a large range of apparatus.

Why choose us? Because we are conveniently situated on campus, and we have an entire team of experts to support your fitness and health! The Sport Science Centre – another exercise facility on campus – provides specialised services by qualified biokineticists and sport scientists. The Sport Science Centre is situated in the Mabaleng Exercise and Sport Science Building.

KovsieFit Gym and the Sport Science Centre cater for all age groups and offer spinning, pilates, aerobic, and various other group classes. Aerobic apparatus such as treadmills, rowers, and bicycles are available at these facilities. A gymnasium circuit, two Olympic platforms, and different types of weights and machines are also available. KovsieFit Gym is open weekdays from 05:30 to 19:30 and on Saturdays from 07:00 to 11:00.

LIABILITIES

Accidents

As the university only insures its own risks, it cannot be held liable for accidents that happen to students. It is therefore recommended that students take out personal accident insurance.

Damage to students' personal possessions

The university cannot be held liable for loss or damage to students' personal possessions. Residence students also leave their possessions at their own risk in the residences during the holidays. It is therefore recommended that students insure their possessions. Protect yourself and the property of the university. Any damage and/or theft must be reported to the Division of Protection Services. Distinguish between fun and crime and respect other people's property.

Vehicles on campus

It is recommended that students keeping vehicles on campus should take out SASRIA (riot insurance). All students and members of the public who wish to use the roads on campus should purchase an access disk issued by the Division of Protection Services of the university. The disc must be displayed on the windscreen.

If you do not have an access permit, you could receive a traffic fine. People using the roads on the university campus or parking on the campus do so at their own risk and the university does not accept responsibility for any accident, loss, or damage. Any damage or theft must be reported to the Division of Security Services.

The Vice-Chancellor is the Chief Executive Officer of the university, with deputy vice-chancellors supporting him. Prof Francis Petersen is our Vice-Chancellor and Principal.

University Council:

The University Council is the highest decision-making body of the university. The Council consists of representatives of the university, the Student Representative Council (SRC), church and community representatives, prominent businesspeople, and individuals appointed by the government.

Faculty:

The students, lecturers, researchers, and management of a group of departments (in a broad sense) working in the same field of study, form a faculty. The head of a faculty is called a dean, who resides on the Bloemfontein Campus.

Department:

The students, lecturers, research, and management activities in a specific field of study form a department. At the head of a department, we find the departmental head or departmental chairperson. For undergraduate courses, you will be required to attend classes in various departments, while postgraduate studies are generally undertaken in a single department.

Professor:

A person who has distinguished himself/herself as an expert in a specific field of study.

Lecturer:

The name assigned to a person who presents classes to students. Each department has a number of lecturers who are experts in specific fields of study and who are attached full-time to the university. Lecturing staff are addressed in terms of their titles.

Kovsie:

The historical word 'Kovsie' is the nickname given to students at the UFS. This is also the general name used for referring to the UFS.

Degree:

An academic achievement that provides evidence that you are academically competent in a specific field of study, so that you may embark upon a career or careers related to this field. Undergraduate refers to students who are studying for the first degree, while the term postgraduate refers to students engaged in a study field where they have already obtained a degree. For example, the term degree could denote a BA degree (Baccalaureus Artium/Bachelor of Arts), a BCom degree (Baccalaureus Commercii/Bachelor of Commerce), or a BSc degree (Baccalaureus Scientiae/Bachelor of Science). The minimum period of study for an undergraduate bachelor's degree is generally three or four years.

This is followed by an honours degree (generally one or two years) or a master's degree (one or more years), and finally a doctorate (generally two years or longer). Some degrees lead directly into certain professions, while other degrees provide general preparation for a variety of careers. A general BCom degree will equip you with the necessary economic and management knowledge so that, for example, you may apply for a position as a manager in a company.

Module:

A module refers to specific fields of study within a discipline. For example, Financial Management is one of several modules in the field of study known as Business Management.

The Academic Calendar: An academic year consists of two semesters. The first semester usually commences in February, and the second semester by the end of July. In between, there is generally a holiday of approximately three weeks. The second semester is concluded at the end of November. Undergraduate students write an examination at the end of each semester. For postgraduate studies, much more self-study and research are expected from students.
