

WELCOME TO THE UFS VIRTUAL EXPO 2021

NAVIGATE YOUR WAY TO A NEW DESTINATION.

You can **NAVIGATE** your way to information using a desktop, tablet or a smart mobile device.

Once you are on the UFS virtual **EXPO** landing page, click on the expo you want to visit, whether it is the **UNDERGRADUATE STUDENTS, POSTGRADUATE STUDENTS OR THE INTERNATIONAL STUDENTS** expo tour. The virtual expo will open.

When the expo opens, you will be prompted to choose whether you want the **SOUND** "on or off". Choose your preference by clicking on the desired button. If prompted to tilt your phone to landscape mode, do so to enjoy the experience.

Welcome to the 360° **PANORAMIC VIEW** of our lovely campus. Let us help you get the most of the 360° experience. If you use a desktop computer, you can use your mouse or trackpad to pan and tilt around inside the 360° photos. When you use a smart phone or tablet, you can use your finger to pan and tilt around. By scrolling forward or backwards on a desktop computer or pinching and stretching on a smart mobile device, you can zoom in and out of the photo. It is as easy as that!

You will see a **NUMBER OF HOTSPOTS** (icons) that will take you deeper into the expo. Access the hotspot you want to visit by just clicking on the appropriate button. You have arrived at your **DESTINATION**. Once inside the location, you can access the video, photo galleries, brochures and links by simply clicking on the chosen button. You can close the information, brochure, photo gallery or video by clicking on the "close" button. When you click on a brochure or any other information link, it opens in a new web-window. You can re-access the tour by clicking on the tour's tab. You can enlarge or reduce the size of the video or image, and change the presentation mode to your preference.

If you want to exit the current content, you can use either click on the "X" at the right top, or the **"Back to Main Building"** button in the photo or the **"Back to Start"** button at the bottom of the tour.

WANT TO SEE MORE? If you haven't seen enough and want to visit a different expo, you can click on the "Back to Maps" button, and it will take you back to the UFS virtual expo landing page.

Enjoy the tour of the **UFS virtual wonderland!**
