*Your alternative gateway to
higher-education studies"*

DR. MARIA MADIOPE

Campus Principal for the University of the Free State,
South Campus.

Couldn't get university admission? It does not have to be
the end of the road for you.

Do you have an AP of at least 18 for the Higher Certificates
in Humanities or Economic and Management Sciences? In
that case, you can get access to a variety of degree-study
programmes if you meet the minimum requirements of
the University Access Programme (UAP). This gateway to
education provides you an opportunity to access studies in
mainstream programmes after the successful completion
of an access year.

Hello, I am...

WHAT IS THE UAP?

We introduced this programme to assist many deserving students who do not meet our admission requirements. There are various study options:

- Higher Certificate in Economic and Management Sciences (Commerce)
- Higher Certificate in Economic and Management Sciences (Administration)
- Higher Certificate in Humanities

If you successfully complete any of the above options and meet the specific admission requirements, you can get access to almost any mainstream programme.
