# NEW MANAGERS PROGRAMME

## OBJECTIVES OF THE PROGRAMME

This programme is designed to introduce entry-level managers to the fundamentals of management and leadership. It develops basic knowledge and competencies of individuals that are new to a managerial work situation. The programme covers introductory management and leadership roles, theory, and principles, as well as develops fundamental knowledge of managerial and leadership tasks, such as self-leadership, business and academic skills, digital skills, general management, entrepreneurship and innovation. The programme has a specific focus on the development of an individual's ability to understand the dynamics of management and leadership, as well as how to develop self-management techniques and understand oneself in relation to others in the business environment.

## PROGRAMME OUTLINE

- **Self-leadership**  
The importance of understanding personality in personal and professional life
- **Business and academic skills**  
Academic reading and writing skills and challenges and pitfalls in business writing
- **Digital skills**  
The concept of digitisation and its implications in various industries
- **General Management**  
An introduction to the four functions of management, namely planning, organising, activation and control
- **Entrepreneurship**  
The importance and scope of entrepreneurship in South Africa
- **Innovation**  
Adopting an innovative mindset
- **Reflection on learning and integration with career path**  
Reflecting on learning for SLP integration of learning with personal goals

# MANAGEMENT DEVELOPMENT PROGRAMME

## OBJECTIVES OF THE PROGRAMME

The purpose of the Management Development Programme is to enhance the skills, knowledge, and capabilities of individuals in leadership and managerial roles within an organisation. The programme is specifically designed to prepare managers to effectively improve on their current responsibilities, drive organisational success, and contribute to achieving the strategic objectives of the organisation.

## PROGRAMME OUTLINE

- **Personal leadership**  
Analyse your own stressors, strains and outcomes of stress
- **Interpersonal leadership**  
Effective verbal, non-verbal, and written communication skills
- **Personal financial management**  
The process of making personal financial decisions
- **Marketing**  
Introduction to marketing management and all aspects of the marketing process
- **Information technology and data management**  
Data governance and its role in ensuring data quality, privacy, and compliance
- **Reflection on learning and integration with career path**  
Reflecting on learning for SLP integration of learning with personal goals

### WHO SHOULD APPLY?

The programme is aimed at middle managers, new managers earmarked for middle management positions.

### ENTRY REQUIREMENTS

The applicant should:

- Be at least 23 years old
- Have at least grade 10
- Have at least 3 years of workplace responsibilities
- Submit a manager/supervisor recommendation
- Submit a short application letter, expressing the desire to enroll for the SLP
