CASA CONFERENCE 2013: First call for papers

THEME: RECEPTION

The 30th biennial conference of the Classical Association of South Africa will be held at the University of the Free State in Bloemfontein from Monday 8 to Thursday 11 July 2013. The general theme of the conference is *RECEPTION*, but we welcome offers of papers on any theme related to the Graeco-Roman world and the Classical Tradition. Papers from specialists in Classics and cognate interdisciplinary fields and especially from postgraduate students will also be welcome. Titles and abstracts (c. 150 words for proposed 20-minute papers followed by 10 minutes for discussion) should be sent to me via email (zietsmanjc@ufs.ac.za) by the 31st of January 2013.

Judge Deon van Zyl, Patron of the Association, will be one of the key-note speakers. The Roman Law section of the Faculty of Law at our University will also take part in the conference. The conference will co-incide with the Volksblad (the local Afrikaans newspaper) Arts Festival which will run from 9 to 13 July, for which the Drama Department of the University plans to stage a performance (in English) of the tragedy *Hippolytus* by Euripides.

Information regarding accommodation will be made available during June 2012 (early bookings are advisable in view of the Arts Festival; accommodation in a University residence on campus will also be available). Travel arrangements, registration fees and other logistical matters will be communicated with the final call for papers which will be sent out early February 2013, if not sooner. The relevant information should also at the same time be available on the official CASA website (see address above). If you have any queries before then, please do not hesitate to contact me.

We look forward to share the hospitality of our University, department and city with you!

With kind regards
