Announcement of additional workshop: Writing for Publication

In response to a perceived need for additional support to aspiring publishers, the HELTASA Exec is hosting a two-day workshop on **17 and 18 November**, just before the HELTASA conference. This workshop will provide additional support to those HELTASA members who will be presenting papers in the forthcoming conference at the UFS and who intend submitting their papers for publication in the HELTASA Proceedings 2014. Further information is provided in the attached call.

Publishing in the JNGS

As previously communicated, the deadline for the submission of full papers for the Journal for New Generation Sciences (JNGS) is **Friday, 31 October**. Please adhere to the guidelines for publication, which has been attached to this email. For further information or submission of your paper, please contact Mieke du Plessis at duplessism2@ufs.ac.za.

Publishing in the Proceedings

The deadline for submission of papers for the HELTASA 2014 Proceedings is **8 December 2014**. Please adhere to the guidelines for publication, received from Dr Tisani, which has been attached to this email. For further information, or submission of your paper, please contact Dr N Tisani at thami.tisani@gmail.com.

HELTASA 2014 PROGRAMME

Please find attached the HELTASA 2014 programme at a glance. We are busy completing the detailed programme and will send the presentation schedule to all delegates shortly. Please contact Mieke du Plessis with any urgent queries: duplessism2@ufs.ac.za.
