Language and Deaf Studies

## Online workshop for Intermediate, Senior and FET phase SASL HL teachers

### Topic:

## How to formulate different levels of questions for SASL HL using Bloom's and Barret's Taxonomies

**Dates: 14 and 15 April 2021, 15:00-18:00**

Topics addressed in the workshop:

- A review on CAPS regarding tests and exam questions.
- Differentiating between lower- and higher-level questions.
- The use of Bloom's and Barret's Taxonomies as guidelines.
- Setting questions for comprehension tests (you will be given a signed text and you will be required to set questions in groups which include different levels of questions).
- Setting of language questions.
- Preparing learners to answer different levels of questions.

**Presenter: Jacolyn Oosthuyzen**

***The costs of this workshop is R500.00 per person.
