

Online workshop for parents with Deaf children.

Topic:

The Deaf child and his/her development.

Venue: Microsoft Teams

15 May 2021 14:00-16:00

R250 pp

- Parents with Deaf children will discuss the challenges they experience as a family as well as the communication and educational options they chose.
- Deaf people using Sign Language, speech and that attended either mainstream school or schools for the Deaf, will share their journeys.
- This will help with the establishment of a support network for parents with Deaf Children.

29 May 2021 14:00-16:00

R250 pp

- Deon Ceronio, audiologist will talk about hearing loss and different options for communication.
- Jani Visser, speech therapist from the Carel du Toit Centre will talk about speech as an option for the Deaf child.
- Jackie Oosthuizen, teacher and child of Deaf adults, will talk about Sign Language as an option for communication.
