

SHORT LEARNING PROGRAMMES offer an alternative to formal qualifications. For scholars who do not wish to complete a degree, but rather want to accumulate skills and knowledge for a specific purpose, this is the pathway for you.

Short Learning Programmes are designed to offer you flexible learning opportunities relevant to your desired outcome.

AUGUST 2026					
SLP NAME	DURATION OF SLP	MODE OF DELIVERY	SYSTEM LINK	DESCRIPTION	COST
FINANCIAL PLANNING CASE STUDIES: PRACTICAL STRATEGIES FOR THE MODERN FINANCIAL PLANNER	12 weeks	Online	APPLY NOW	This Short Learning Programme (SLP) will equip professionals with the essential practical skills for modern financial planning. By covering key areas like tax, estate, investments, and retirement planning, focusing on practical case studies ensures that participants can confidently create uniquely tailored financial plans for their clients. It also delves into behavioural finance, exploring how psychology impacts decision-making, allowing for more personalised client strategies. With a strong emphasis on legal and regulatory frameworks, this SLP ensures students are prepared to navigate financial complexities and deliver actionable, results-driven advice to help clients reach their goals.	R 8 500
INTRODUCTION TO BUILDING MATERIALS	4 Weeks	Online	APPLY NOW	In this module, participants will learn about different building material solutions for a basic single-storey building while collaborating effectively, acknowledging and appreciating the diverse perspectives of the project team.	R 8 900
INTRODUCTION TO PROPERTY DEVELOPMENT	4 Weeks	Online	APPLY NOW	The main objective of this SLP is to offer an understanding of the property market and its workings, property economic principles, the process of property development, property investments and decision-making, Town Planning restrictions, land use and property management. Additionally, it aims to provide an introductory overview of property development and its relevance in the built environment.	R 8 900
NEW MANAGERS PROGRAMME	24 Weeks	Online	APPLY NOW	The New Managers Programme covers the basic principles and theory related to management and leadership in the business context. The content and learning activities are sequenced to develop fundamental principles and competencies of management and leadership but is also designed to facilitate the personal development of each participant. The programme is divided into six main components, each focusing on a different aspect of management and leadership, namely: Self-leadership, Business and academic skills, Digital skills, Plotting my career path, General management, Entrepreneurship and Innovation.	R 29 900
UNIVERSAL DESIGN FOR LEARNING: AN INTRODUCTORY COURSE	4 Weeks	Online	APPLY NOW	The content of this SLP includes an introduction to Universal Design for Learning (UDL). This will comprise definitions, benefits and the key principles of UDL. Furthermore, a practical approach (The Plus-One approach) to applying UDL will be taught and applied. In addition, an educator’s checklist on UDL will be utilised as another application tool. Finally, alternate assessment methods will be covered.	R 3 000
GEN AI AND RESEARCH	8 Weeks	Online	APPLY NOW	The purpose of this Short Learning Programme (SLP) is to equip participants with the conceptual understanding and practical skills necessary to use generative artificial intelligence (GenAI) responsibly, effectively, and ethically in academia contexts. The programme aims to develop informed, critically reflective users of GenAI who can leverage these tools to enhance research design, data management, academic writing, and analytical productivity, while maintaining the highest standards of academic integrity.	R 11 000
AI AND LAW TECH ESSENTIALS	8 Weeks	Online	APPLY NOW	The purpose of this Short Learning Programme (SLP) is to equip participants with the essential knowledge to guide them through the rapid integration of AI into the legal field. It provides a comprehensive understanding of how AI tools can enhance the efficiency, accuracy, and accessibility of legal services while addressing the ethical and regulatory challenges posed by AI technologies.	R 11 000
MEDICO-LEGAL PRACTICE AND COURTROOM PREPAREDNESS FOR HEALTHCARE PRACTITIONERS	8 Weeks	Online	APPLY NOW	The purpose of this Short Learning Programme (SLP) is to equip healthcare practitioners with foundational legal knowledge and a practical understanding of the forensic and evidentiary aspects of their work in domestic and sexual violence cases.	R 11 000
