

# SHORT LEARNING PROGRAMMES

## MAY 2026

**SHORT LEARNING PROGRAMMES** offer an alternative to formal qualifications. For scholars who do not wish to complete a degree, but rather want to accumulate skills and knowledge for a specific purpose, this is the pathway for you.

**Short Learning Programmes are designed to offer you flexible learning opportunities relevant to your desired outcome.**

| MAY 2026   |                 |                  |             |   |          |
|--|-----------------|------------------|-------------|---|----------|
| SLP NAME   | DURATION OF SLP | MODE OF DELIVERY | SYSTEM LINK | DESCRIPTION   | COST     |
| SPIROMETRY (BLOEMFONTEIN) KATHU                                  | 3 Days          | Face-to-Face     | APPLY NOW   | The purpose of this programme is to equip persons in an occupational setting with the necessary skills to screen and evaluate the respiratory health of workers for their ability to perform certain tasks, or to detect impairment and refer when needed.  | R 7 200  |
| PROJECT MANAGEMENT MASTERY                                       | 8 weeks         | Online           | APPLY NOW   | Building upon the foundational project management concepts, Project Management Mastery provides a deeper dive into the strategic and tactical aspects of managing complex projects and programmes. It emphasises the application of these advanced principles in real-world scenarios. The following themes will be covered: Introduction and Project Initiation Phase, Planning Phase, Executing Phase, Monitoring and Controlling Phase and the Closing Phase.                      | R 17 300 |
| ACTSA CORPORATE TREASURER PROGRAMME                              | 18 weeks        | Online           | APPLY NOW   | The main purpose of the programme is to assist participants with the basic understanding of treasury management and how it fits into the rest of the company. An important part is also to teach participants the importance of liquidity and how to identify and ultimately mitigate the risks (both financial and operational risk) of a company.   | R 24 200 |
| AUDIOMETRY (KATHU)   | 3 Days          | Face-to-Face     | APPLY NOW   | The purpose of this programme is to equip persons responsible for screening for workplace-induced hearing impairments in an occupational setting with the necessary skills to perform and interpret an audiometric test, and to refer when needed.  | R 7 200  |
| INTRODUCTION TO BUILDING ECONOMICS                               | 4 Weeks         | Online           | APPLY NOW   | Building Economics aims to provide students with an introductory knowledge of foundational theories and economic concepts relevant to the construction industry. Some of these concepts include cost planning, cost comparisons and cost control.   | R 8 900  |
| PRINCIPLES OF PATIENT BLOOD MANAGEMENT FOR NURSING PROFESSIONALS | 14 Weeks        | Online           | APPLY NOW   | The short learning programme had been designed to address the following elements:<br>Introduction to PBM<br>PBM Pillar 1: Optimise red cell mass<br>PBM Pillar 2: Minimise blood loss and bleeding<br>PBM Pillar 3: Harness and optimise physiological reserve of anaemia<br>Patient centred decision making<br>Implementation of PBM   | R 3 500  |
| EXECUTIVE DEVELOPMENT PROGRAMME                                  | 24 Weeks        | Online           | APPLY NOW   | The Executive Development Programme equips senior managers and executives with strategic leadership skills to navigate complex, rapidly evolving environments. Using a blended learning approach, the programme covers systems thinking, financial strategy, stakeholder engagement, governance, global shifts, and leadership development. Participants engage in applied learning through real-time projects, coaching, and collaborative problem-solving to drive business impact. | R 54 500 |
